Deluxe Jardinier

Bypass pruner

- Chrome plated Japanese quality SK5 blades.
- Strong blades for better cutting.
- Better resistance to corrosion.
- Sap groove to prevent blade sticking.
- Soft TPR grip for greater comfort.

Care

- ① Clean blades after each use.
- ② Oil blades lightly as needed.
- ③ Lock blades when not in use.
- ④ Store in secure location, not exposed to elements.

Warning

Sharp blades,
handle with care.
**Keep out of
reach of children.**
