

Lawn Food

SEARLES® LAWN FOOD is a blend of organic and inorganic fertilisers plus essential trace elements & minerals, which combine to promote healthy lawn leaf and root growth.

SEARLES® LAWN FOOD is a specially blended high nitrogen and low phosphorus fertiliser plus additional iron to promote deep green lawn growth and development.

SEARLES® LAWN FOOD is suitable to use on all lawns including Buffalo grass lawns such as Sir Walter and Palmetto.

DIRECTIONS FOR USE

LAWNS	DIRECTIONS	WHEN TO APPLY
	Apply 50g (1/4 cup) per square metre. 5kg will cover approximately 100 square metres.	Every 2 months to maintain a lush green appearance.

Spread evenly over lawn area and water in well immediately after application.

NOTE: FOR LAWNS & TURF LESS THAN 8 WEEKS OLD
Apply fertiliser at half rate and water in well after application.

HEALTH WARNING

HAZARDOUS
COMPOSTS, POTTING MIXES AND OTHER ORGANIC GARDENING MATERIALS

This product is made from organic materials, and may include composted pinebark, and contains living micro-organisms, including bacteria, fungi and protozoa. May also contain mineral and fertiliser additives.

RISK
Inhalation of dust and/or liquid mists may irritate, inflame or sensitise the nose, throat and lungs resulting in illnesses ranging from hayfever or asthma, to pneumonia (e.g. Legionnaire's disease) or pneumonia-like diseases. Direct contact with this material or its dust and/or liquid mists (bioaerosols) may cause skin irritation (dermatitis), and skin or eye infection or irritation. People particularly at risk are the elderly, those suffering from asthma or allergies, and those whose immune defence systems are compromised. All people working with these and other landscaping and horticultural products should ensure that they are adequately protected from 'Telarus'.

SAFETY

- Avoid contact with eyes and skin.
- Avoid breathing dust and/or liquid mist (bioaerosols).
- When using product, do not eat, drink or smoke.
- Avoid eating, ingesting or swallowing product.
- Wear suitable protective clothing and standard duty gloves (AS/NZS 2161.2).
- If exposed to dust and/or liquid mists, also wear dust resistant eye protection (AS/NZS 1336) and particulate respirator (AS/NZS 1715 and 1716).
- Wash thoroughly immediately after handling.
- Wash work clothes regularly.
- Clean up by wet sweeping or vacuuming.
- Store this product in a cool location.

FIRST AID

Swallowed: Do not induce vomiting. Immediately rinse mouth with water. Give several glasses of water to drink. Seek medical attention if any abdominal symptoms.

Eye: Hold eyes open and flush eyes thoroughly with plenty of water for 15 minutes. In all cases of eye contamination it is a sensible precaution to seek medical attention.

Skin: Wash skin thoroughly with mild soap and water. Remove and wash contaminated clothing before re-use. If irritation occurs, seek medical advice.

Inhaled: Remove to fresh air. Seek medical attention for persistent skin, eye or respiratory symptoms.
