

DIRECTIONS FOR USE

HOW TO USE • DO NOT spray if weeds are wilted by dry or cold weather.
• DO NOT spray if rain is likely within four hours.

LAWNS	WEEDS CONTROLLED	RATE	HOW TO APPLY
Turf-established Couch (incl. Qld Blue Couch), Bent, Buffalo (except ST varieties), Fescue, Kikuyu, Paspalum and Rye.	Bindii, Cape-weed, Catsear, Clover (Not Tas.), Creeping Buttercup, Cudweed, Dandelion, Fleabane, Jo-Jo (Onehunga), Oxalis, Plantains, Thistles.	Apply 10 mL in 2.5 Litres of water per 15 m ²	Apply evenly over the area to be treated. Slight browning of grasses may occur. DO NOT mow turf for TWO days after treatment.

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

HOW TO PREPARE: Product can be applied with most garden sprayers. Avoid using fine droplets or applying product in windy conditions as this will increase spray drift. It is important to apply the recommended spray mixture when weeds are young and actively growing. When applying product ensure the amount of spray mixture used corresponds to the recommended area of lawn to be treated. Rain within 24 hours of application may affect the results.

CAUTION:

- DO NOT allow spray to contact or drift onto plant you do not want killed.
- DO NOT apply within the drip line of shallow rooted trees or shrubs or apply product in areas where the chemical may be washed into contact with the roots of desirable plants.
- DO NOT allow chemical containers or spray to get into drains, sewers, streams or ponds.
- DO NOT feed grass clippings from treated areas to poultry or other animals.
- Equipment used to spray this product should not be used for applying other materials to sensitive plants. If such use is unavoidable, clean equipment thoroughly with ammonia or washing soda and rinse with several changes of water and detergent.

STORAGE AND DISPOSAL:

Store in the closed, original container in a cool, dry place out of the reach of children. Do not store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS:

Product is poisonous if inhaled or swallowed. Attacks eyes and will irritate the skin. Avoid contact with eyes and skin. Do not inhale spray mist. When preparing spray and using the prepared spray wear cotton overalls buttoned to the neck and wrist, a washable hat, elbow-length PVC gloves, a face shield and goggles. If product in eyes, wash it out immediately with water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves, face shield, goggles and contaminated clothing.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre. *Phone Australia 131126.* If swallowed do NOT induce vomiting. Give a glass of water.

APVMA Approval Number: 59093/500/0410

DISCLAIMER: This product is designed to be used only for the purposes indicated on the label. Failure to use the product strictly as directed may be dangerous and cause injury, may be illegal, and may also render the product ineffective. The buyer or user is responsible for any misuses or negligence in the handling, storage, use of or disposal of this material. J.C. & A.T. Searle Pty. Ltd. will not accept any responsibility of any kind, whether for consequential loss or otherwise, in connection with the supply and use of the product other than those responsibilities mandatorily imposed by statutes applicable to the safety and supply of these goods.
