

Searles®
Flourish
SOLUBLE PLANT FOOD

The premium plant food for beautiful healthy plants, lush foliage & deep green leaves for all seasons

Indoor & Greening

DIRECTIONS

Searles Flourish should always be dissolved in water before applying. Apply diluted to soil, soaking around plants roots and out beyond foliage drip-line. For fast results, apply fertiliser solution to foliage just as you would when watering normally.

TIP! Apply early morning or late afternoon for best results.

Indoor plants

1/4 teaspoon to 1 Litre watering can

1 heaped teaspoon to 4.5 Litres

Soak potting mix every 2-3 weeks. Avoid leaf feeding of indoor plants

Outdoor container plants

3 heaped teaspoons to 9 Litres

Soak potting mix and wet foliage every 7-14 days

Garden beds & lawns

4 heaped teaspoons to 9 Litres

Coverage: 4 sq.metres Every 7-14 days during growing season

30 heaped teaspoons (150g)
Fill with water, shake well. Carefully apply over 30sq.metres every 7-14 days

NOTE: For young or sensitive plants, apply at 1 teaspoon (5g) to 9 litres of water. Flush pot plants monthly with water to remove accumulated salts.

Precautions: To avoid damaging plant foliage, do not apply when maximum temperature is expected to reach over 30°C. Do not apply when soil is dry and plants are suffering from moisture stress. Product should always be dissolved in water before applying. When foliar feeding, avoid wetting flowers.

Storage: Store in a dry place away from direct sunlight. Once opened, re-seal unused portion in sealed bag after each use to prevent moisture entering product. Keep out of reach of children & pets.

OPEN OTHER END

This cardboard carton is recyclable, biodegradable and compostable. The inner plastic bag is recyclable. Please dispose of this packaging thoughtfully. Check with your local recycling service for suitability.

THIS PRODUCT MAY ABSORB MOISTURE DURING PERIODS OF HIGH HUMIDITY. MOST PRODUCT IS NATURAL AND WILL NOT AFFECT PERFORMANCE.

Searles®
Flourish
SOLUBLE PLANT FOOD

Indoor & Greening

Searles Flourish® is a concentrated, complete soluble plant food formulated with premium ingredients providing plants with fast acting nutrients for abundant leaf growth & deep greening for indoor and outdoor plants.

This dual action fertiliser contains balanced NPK fertiliser and chelated trace elements that feed plants through both leaves and roots for all seasons.
