HOW TO USE

- DO NOT apply under windy conditions or if rain is expected within 12 hours. • DO NOT apply to lawns suffering stress.
- DO NOT mow or fertilise for 7 days after applying and avoid watering for 12 hours after applying. • DO NOT drench around the roots of wanted plants.

SITUATION	WEEDS CONTROLLED	RATE
Lawns and Turf (except Buffalo and Durban Grass)	Bindii (Jo-Jo), Capeweed, Catsear, Clover, Dandelion, Dock, Lambs Tongue, Plantains, Thistles	Apply the contents of this pack over (2L) 130m ²

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED.

HOW TO PREPARE:

1. Shake the pack well before applying.
2. Remove two-pinned plug from the top of the hose applicator (A)
3. Connect hose to applicator (B) and turn on tap. (At this stage, only water will be sprayed.)
4. When ready to apply contents, place your finger over the small hole (C) on the side of the applicator. The tap water will mix with mixture automatically in the correct ratio.
5. Walk and spray at a steady pace, whilst sweeping the spray in a back and forth arc. Overlap treated areas slightly.
6. To stop spraying mixture simply remove finger from hole (C).
7. On completion, insert two-pinned plug (A) to seal holes.

HOW TO APPLY:

Measure lawn area before application. Apply when weeds are growing actively. Spray directly on weeds and lawns until foliage is quite wet. Weeds will die slowly. Effects may take up to 3 weeks to appear.

APVMA Approval No: 70409/63400
BATCH NO.:
D.O.M.:

V01K14

CAUTION: DO NOT allow spray to contact or drift onto plants you do not want killed. DO NOT allow chemical containers or spray to get into drains, streams, ponds or sewers. DO NOT spray directly on humans, pets or food preparation areas. DO NOT use on Lippia, Dichondra, Durban Grass, Clover lawns and lawns less than 3 months old or instant lawns until 6 weeks after laying. **DO NOT use on Buffalo lawns.** May cause temporary injury to Kikuyu lawns. DO NOT feed treated grass clippings to pets, poultry, livestock or use to mulch plants. **Dangerous to fish.** DO NOT contaminate water for garden or domestic supplies. DO NOT use this container for any other purpose.

STORAGE AND DISPOSAL: Store in the closed, original container in a cool, dry place out of the reach of children. DO NOT store in direct sunlight. Dispose of empty container by wrapping in paper, placing in plastic bag and putting in garbage.

SAFETY DIRECTIONS: Will irritate the eyes, nose, throat and skin. Avoid contact with eyes and skin. DO NOT inhale spray mist. If product contacts skin, immediately wash with soap and water. If product in eyes, wash it out immediately with water. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 131126.
